

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**DESIGNATED CONSTRUCTION PROJECT(S) AGGREGATE  
LIMIT AND TOTAL AGGREGATE LIMIT**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

**SCHEDULE**

The following is added to the Limits of Insurance shown in the Declarations:

<b>Designated Construction Project Aggregate Limit (Other Than Products-Completed Operations)</b>	<b>\$</b>
<b>Total Aggregate Limit (Other Than Products-Completed Operations)</b>	<b>\$</b>
<b>Designated Construction Project(s):</b>	

(If no entry appears above, information required to complete this endorsement will be shown in the Declarations as applicable to this endorsement.)

- A.** For all sums which the insured becomes legally obligated to pay as damages caused by "occurrences" under **SECTION I – COVERAGE A**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE C**, which can be solely attributed to operations at a single designated construction project shown in the Schedule above:
1. The Designated Construction Project Aggregate Limit as shown in the above Schedule is the most we will pay for each construction project designated in the Schedule above.
  2. The Designated Construction Project Aggregate Limit is the most we will pay for the sum of all damages under **COVERAGE A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard", and for medical expenses under **COVERAGE C** regardless of the number of:
    - a. Insureds;
    - b. Claims made or "suits" brought;
    - c. Persons or organizations making claims or bringing "suits"; or
    - d. Designated construction projects shown in the Schedule above.
  3. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the Designated Construction Project Aggregate Limit for that designated construction project. The Designated Construction Project Aggregate is subject to the Total Aggregate. However, such payments shall not reduce the General Aggregate Limit shown in the Declarations nor shall they reduce the Designated Construction Project Aggregate Limit for any other designated construction project shown in the Schedule above.
  4. The limits shown in the Declarations for Each Occurrence, Damage To Premises Rented To You and Medical Expense continue to apply. However, instead of being subject to the General Aggregate Limit shown in the Declarations, such limits will be subject to the applicable Designated Construction Project Aggregate Limit.

## COMMERCIAL GENERAL LIABILITY

- B.** For all sums which the insured becomes legally obligated to pay as damages caused by “occurrences” under **SECTION I – COVERAGE A**, and for all medical expenses caused by accidents under **SECTION I – COVERAGE C**, which cannot be solely attributed to operations at a single designated construction project shown in the Schedule above:
1. Any payments made under **COVERAGE A** for damages or under **COVERAGE C** for medical expenses shall reduce the amount available under the General Aggregate Limit or the Products-Completed Operations Aggregate Limit, whichever is applicable; and
  2. Such payments shall not reduce any Designated Construction Project Aggregate Limit.
- C.** The Total Aggregate Limit shown in the Schedule above is the most we will pay for all payments made under the Designated Project Aggregate Limit for all designated projects and all payments made under the General Aggregate. This includes:
1. Damages under **COVERAGE A** except damages because of “bodily injury” or “property damage” included in the “products-completed operations hazard”;
  2. Damages under **COVERAGE B**; and
  3. Medical Expenses under **COVERAGE C**.
- D.** When coverage for liability arising out of the “products-completed operations hazard” is provided, any payments for damages because of “bodily injury” or “property damage” included in the “products-completed operations hazard” will reduce the Products-Completed Operations Aggregate Limit, and will not reduce the General Aggregate Limit or the Designated Construction Project Aggregate Limit.
- E.** Any payments made for damages because of “personal and advertising injury” sustained by any one person or organization under **COVERAGE B**, remain subject to the Personal And Advertising Injury Limit and do not apply to the Designated Construction Project Aggregate Limit. Such payments shall reduce the General Aggregate Limit and the Total Aggregate Limit.
- F.** Any payments made for damages or medical expenses to which the Designated Construction Project Aggregate Limit applies shall reduce both the Total Aggregate Limit shown in the Schedule above and the Designated Construction Project Aggregate Limit for that designated construction project. Such payments shall not reduce the General Aggregate Limit nor shall they reduce the Designated Construction Project Aggregate Limit for any other designated construction project shown in the Schedule above, subject to the Total Aggregate.
- G.** Any payments made for damages or medical expenses to which the General Aggregate Limit applies shall reduce both the Total Aggregate Limit shown in the Schedule above and the General Aggregate Limit shown in the Declarations. Such payments shall not reduce the Designated Construction Project Aggregate Limit for any designated construction project shown in the Schedule above.
- H.** If the applicable designated construction project has been abandoned, delayed, or abandoned and then restarted, or if the authorized contracting parties deviate from plans, blueprints, designs, specifications or timetables, the project will still be deemed to be the same construction project.
- I.** The provisions of **SECTION III – LIMITS OF INSURANCE** not otherwise modified by this endorsement shall continue to apply as stipulated.

All other terms and conditions of the policy remain unchanged.
