MASKING AND DRY FALL PAINT WARRANTY

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

The following is added to **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS:**

You warrant that curtain masking will be used when painting bridges or other steel structures, such as water towers, if other structures or automobiles, whether parked or moving, are within 500 feet of the painting site. Should an incident occur which gives rise to a claim and you have not used dry fall paint and curtain masking, this policy is void of coverage.

All other terms and conditions under the policy remain unchanged.
