

ATTACHING TO AND FORMING PART OF POLICY NO.
DESIGNATED PRODUCTS COVERAGE
NOTICE OF SPECIAL RESTRICTION OF COVERAGE ENDORSEMENT

NOTE:

You, through your insurance broker or advisor, has submitted an application and/or other written correspondence or documentation to us which has induced us to issue this especially restricted policy of insurance. You may have other products hazards which have not been revealed to us, intentionally or not. Such exposures may be more hazardous, the same or less hazardous than that which has been set forth in the application, correspondence or documentation for this policy.

Only certain, very specific products have been covered under this policy. We do not know, and have not been told, your criteria or your intent in selecting either the products to be insured or to be excluded (if any) except that these are some of your products which have been discontinued for which you want to buy specific insurance.

You should read this endorsement, and the policy to which it is attached, carefully, and consult with your insurance brokers and advisors.

ENDORSEMENT

Subject to all of the exclusions, terms and conditions of this policy, such insurance as is afforded by this policy applies only to liability arising directly from the manufacture, sale, distribution, handling, installation, furnishing, fabrication, or construction of those products which are described in this endorsement under the heading "Description of Covered Products". Coverage for any other product(s) is excluded.

DESCRIPTION OF COVERED PRODUCTS:

No other products are covered by this policy.

The following Undersigned, being an officer of the Corporation, hereby understands and agrees to this endorsement which restricts coverage of this policy.

The DECLARATIONS, INSURING AGREEMENTS, DEFINITIONS, EXCLUSIONS and CONDITIONS of this Policy otherwise remain unchanged.
